

Table of Contents

1. Electron Flow	5
2. Basic Physics, units	9
3. Ohm's Law	18
4. Electrical Circuits	21
5. Series and Parallel Circuits.....	28
6. Voltage Dividers and Ground.....	30
7. Kirchoff's Laws	35
8. Power	38
9. Resistor Component Characteristics	41
10. Capacitors	44
11. Inductors	49
12. House Wiring.....	52
13. Electrical Safety	53
14. Test Equipment, Troubleshooting.....	54
15. Introduction to AC, Capacitive Reactance.....	62
16. Inductive Reactance	71
17. Transformers.....	75
18. Resonance	84
19. Semiconductors, Diodes	87
20. The Transistor	96
21. FETs and MOSFETs.....	104
22. Digital Logic Introduction.....	108
23. Operational Amplifiers.....	116
24. Regulation	121
25. The Integrated Circuit	123
26. The CPU, Microcontrollers.....	129
27. Computer Memory	138
28. Electronics Manufacturing	139

Practical Circuits

1. LM386 Audio Amplifier.....	146
2. Transistor Audio Pre-Amp for LM386	147
3. NE555 Multivibrator	148
4. NE555 and Output Driver Transistor	149
5. Op-Amp.....	150

Experiments

1. Resistance	152
2. Parallel Resistance	153
3. Potentiometer.....	154
4. Capacitor Time Constant	155
5. Diode Demonstration	156
6. LED Demonstration.....	157
7. Zener Diode Demonstration.....	158
8. Transistor Operation	159
9. Linear Regulator Operation	160

10. Radio Debugging Practice	161
------------------------------------	-----

Reference

Resistors	164
Capacitors and Applications	165
Inductors.....	168
Wire Gauge Diameters	169
Diodes, Rectifiers.....	171
Transistors, FETs, MOSFETs and Specs	172
Common Logic Devices	182
Op-Amp Information.....	184
Home Made Equipment	186
Batteries	188
Frequency, Inductance, Capacitance	189
Inductive Reactance	191
Q Factor	193
Oscillators.....	194
Converting Oscilloscope Displays to Frequency	195
Coil Winding	196
RF Filters.....	199
Formulas – Electronic	201
Decibels and S-Units	203
Common Terms	204
Galvanic Series.....	206
Conversion Tables	207
Temperature Scales.....	209
Electromagnetic Spectrum.....	210
Programming Microcontrollers.....	211
Schematic Symbols Reference.....	214

Sources

Component Sources	216
Component Manufacturers	217
Connector Manufacturers	218
Bench Equipment.....	218
