## Section One - Software, Tips

Windows Fixes and Updates .....	6
Windows Recovery .....	13
Vista Fixes and Tips .....	19
Word Fixes and Tips .....	21
Excel .....	26
Outlook.....	27
Mozilla Firefox.....	28
Internet Explorer, User Voted News and Opinion .....	30
eBay, PayPal .....	31
Adobe Acrobat .....	33
Google, Google docs .....	35
Building a File Server, PC Backup .....	37
Security .....	40
Home Networking .....	41
How the Internet Works .....	45
Great Freeware.....	47
OpenOffice.....	49
Gimpshop.....	54
Making Computer Games.....	55
Drawing Programs, TurboCAD, Photoshop .....	59
BASIC, Programming, Visual BASIC .....	62
C Language .....	69
BIOS, DOS, Windows, FreeDOS .....	70
ISO, IMG, IMZ.....	74
Linux and Linux Freeware .....	76
IRC.....	79
Top Websites.....	80

## Section Two - Projects

USB 5V Supply, Power from USB port.....	82
Home Networking using X-10 modules.....	85
PC Soundcards and Projects – Audio Oscillator, Oscilloscope, Data Logging, Morse Code Transmitter and Receiver, Ham Radio Projects.....	87
USB, Parallel and Serial Port control.....	96
Programming Microcontrollers.....	100
Digital TV and media center .....	101
Webcam. Skype.....	102
PC for Robotic Development .....	103
Video Arcade .....	104
Animatronics and Androids.....	105
Assembling a Computer .....	106
CD-ROM Audio Player Project .....	113
PC Power Supplies.....	114
Hard Drive Hacks.....	117

Floppy Drive Hacks.....	118
Flatbed Scanner Hacks and USB to IDE drive.....	120
Streaming Audio and Video.....	121
X-Box Mods .....	122
Automotive Computing .....	123
Automotive Diagnostics .....	124

### **Section Three – References**

PC Motherboard identification .....	126
CPU sockets, CPU history.....	129
Memory identification.....	130
PCI and Video Interface.....	135
Display Modes .....	137
Interrupts and Bus .....	138
ASCII Tables.....	139
Port Pinouts .....	140
RS-232 interface .....	145
Working with DOS .....	146
Working with Linux.....	149
Windows Command Line Tools.....	150
Working with GW-BASIC, QBASIC .....	154
Web Resources .....	160

### **Section Four – Appendix**

Toll Free Assistance .....	162
Schematic Symbols Reference .....	163
Sources.....	164
Programs on the CDs .....	165
Glossary.....	166
Notes.....	168

### **Back Cover - In case of Emergency**
